

WEST Search History for Application 10547440

Creation Date: 2008030315:03

Query	DB	Op.	Plur.	Thes.	Date
formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution	PGPB, USPT, USOC, EPAB, JPAB, DWPI	ADJ	YES		03-03-2008
high concentration or highly concentrated or higher concentration	PGPB, USPT, USOC, EPAB, JPAB, DWPI	ADJ	YES		03-03-2008
(formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution) and (high concentration or highly concentrated or higher concentration)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	ADJ	YES		03-03-2008
(formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution and high concentration or highly concentrated or higher concentration) and (evaporat\$ or partial evaporation or partially evaporated)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	ADJ	YES		03-03-2008
(formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution and high concentration or highly concentrated or higher concentration and (evaporat\$ or partial evaporation or partially evaporated)) and (gaseous formaldehyde or gas phase formaldehyde or vaporized formaldehyde or formaldehyde vapors)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	ADJ	YES		03-03-2008
(formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution and high concentration or highly concentrated or higher concentration and (evaporat\$ or partial evaporation or partially evaporated) and (gaseous formaldehyde or gas phase formaldehyde or vaporized formaldehyde or formaldehyde vapors)) and (evaporation temperature or temperature of evaporation)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	ADJ	YES		03-03-2008
	PGPB	ADJ	YES		03-03-2008

formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution.CLM.					
(formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution.CLM.) and (high concentration or highly concentrated or higher concentration.CLM.)	PGPB	ADJ	YES		03-03-2008
(formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution.CLM. and (high concentration or highly concentrated or higher concentration.CLM.)) and (evaporat\$ or partial evaporation or partially evaporated.CLM.)	PGPB	ADJ	YES		03-03-2008
(formaldehyde solution or formalin or aqueous formaldehyde or paraformaldehyde solution.CLM. and (high concentration or highly concentrated or higher concentration.CLM.) and (evaporat\$ or partial evaporation or partially evaporated.CLM.)) and (gaseous formaldehyde or gas phase formaldehyde or vaporized formaldehyde or formaldehyde vapors.CLM.)	PGPB	ADJ	YES		03-03-2008
